# OVERVIEW

It is our great pleasure to announce the commencement of "The 9th NIIAA

Online Summer Course Program"

NIIAA is an excellent opportunity for students to gain international exposure and experience

and to take good advantage of the opportunity to immerse themselves in a rich and vibrant academic environment

to gain a new perspective on their own culture and to develop their own global academic career.

The course is designed to provide students with a comprehensive understanding of the current state of the world and to provide them with the skills and knowledge necessary to succeed in a global environment.

The course is designed to provide students with a comprehensive understanding of the current state of the world and to provide them with the skills and knowledge necessary to succeed in a global environment.

beyond mobility.
